

## POLICY: HANDOUTS/DISPLAYS

APPROVED/REVIEWED: July 16, 2018

The West Chester Public Library may provide for the distribution of handout materials or display of posters/flyers that may be of educational and/or cultural interest to residents of the library's service area. These items may represent diverse points of view. The Library welcomes these as information for and enrichment of the community

Because of space limitations, materials and events displayed are limited primarily to those from Chester County cultural, educational and governmental organizations. Materials from other organizations that partner with the Library may also be considered for distribution or display. Posters for display may be no larger than 8 ½ x 11.

No poster, flyer, brochure, display or other handout may be placed in the Library without permission of the Library Director or the Director's designee. Decisions are based on space available and interest in the information by a large number of library users, as well as on the criteria listed above.

Religious tracts and partisan political materials may not be posted, displayed or distributed in the Library. Materials advertising or promoting for profit activities and businesses may not be posted, displayed or distributed in the Library.

Except in unusual circumstances, fund-raising advertisements and activities will be limited to those that directly benefit the Library or Chester County Library System and members

Acceptance of a display or distribution of handout materials does not indicate that the Library endorses a particular idea, cause or activity.
